## MISSION

To provide 23 year-round sports training and athletic competition in a variety of Olympic-type sports for 6,100 children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics Florida athletes and the community.

## VISION

Transform communities by inspiring people throughout the world to open their minds, accept and include people with intellectual disabilities and thereby anyone who is perceived as different.

## ABOUT THE EVENT

Danto Builders and the Fort Lauderdale Design and Construction Professionals (FLDCP) invite you for an all-you-can-eat delicious BBQ and beverages. Over 600 professionals attended last year raising \$35,000, and we are hoping for at least 800 people this year. There is also live entertainment, art, champagne and cigar bar, auctions and raffles. Gold-medal Special Olympics athletes also attend to meet and greet attendees.

Special Olympics is a very special cause for Craig and Debbie Danto. They both have / had family members with special abilities and this event is carrying on their family's legacy given all the great things their families did for people with special abilities.

Debbie and Craig were recruited by Special Olympics to help with Sallarulo's Race for the Champions, so they came up with this Big Bad BBQ idea. The Florida Design and Construction Professionals supported the idea and allowed Danto Builders to use the FLDCP association as a platform for this event to raise money for SO. It has evolved into a fun-filled 2-hour networking event for design, construction, real estate, property management and affiliated professionals and business owners.
